How to Use This Bible Reading Plan

This one-year Bible reading plan is structured for daily use, guiding you to read the Scriptures each day. Before starting a new book, we recommend reading its summary to get an overview of the content. These summaries are provided as a helpful tool to give you context but are not included in your daily reading count. If you prefer to jump straight into the Scriptures, feel free to skip the summaries.

For more reading plans, visit BibleVibrance.com
